Here are just a few of the *many* wonderful faculty members who have had to deal with us for the past four (or five) years. I apologize for anyone who is not pictured. Please do not be offended. Some of the people I most admire are not included. The photographers did the best they could. I would like to personally thank all of the faculty, administration, and staff for their dedication to North Adams State College.

THANK YOU

I'd like to take this opportunity to thank everyone who helped to make this yearbook possible. I'm forever grateful to Diane Collins and Roy Hult for all of their help, encouragement, and reassurance. To the "REAL" yearbook people - we know who really did the work!!! Thank you to the faculty in both the Sociology and English Departments for accommodating my hectic schedule. Most importantly, thank you to my roommates who dealt with my stress and gave me their help and support throughout the year. Without the support of all these people, my sanity would be long gone! Thanks again!
